DEDICATION and REMEBRANCE

Robert (Rob) Jackson served the town of Rindge as a firefighter/EMT and moved up to Deputy Chief, as well as serving as the Deputy Forest Fire Warden for the state of New Hampshire.

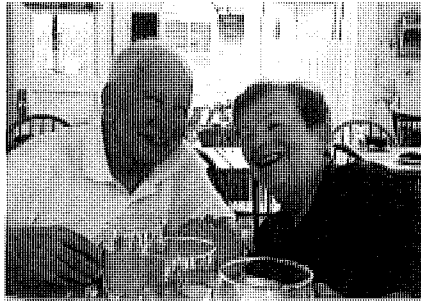

Alfred (Al) L'Platteniere served on the Budget Advisory Board and was active in various Town affairs. He also served on various committees.

Paul McPhie was a very involved member of the Commission. He was instrumental in the Town receiving the Ford Family Nature Preserve donation and the Rindge Stone and Gravel conservation land purchase. He was an enthusiastic and active participant in trail and land clean up.

IN APPRECIATION

Dave and Rae Duvernay. Dave served the town as assessing clerk/Code Enforcement officer and was on many boards and committees. Rae was very active with the Women's Club, ran Operation Santa and planted/maintained the flowers at all of the veterans memorials for many years. Rae and Dave moved back to Connecticut to be near their children this past Summer. We wish them happiness and thank them for their service and kindness to all of Rindge's people.

State of the Town

Greetings from the Select Chair.

This year was a tough year for the town financially as we were operating with a default budget and we had no cushion as we "had returned any excess funds the previous year to the tax payer." There was also a court settlement in an eight year lawsuit brought by Fairpoint in a dispute over the utility pole taxes. We were offered to pay nearly one hundred thousand dollars in June to settle the suit. We got through the year due to good weather, being short staffed on the police department, and very little snow. This year the tax rate for the town went down. As this change occurred during a revaluation, many did not see a reduction in taxes due to increased assessments. This was suggested as one of the reasons for the failure of the budget to pass.

We were able to hire some very good people for the town office to fill in for retirements and other turn over. We were pleased to hire Amanda Urmann as the new Executive Secretary. Susana DiMazio is the Police Administrator at the police department and has replaced Nick Roy. Andrea LaVache was appointed to the position as Tax Collector with retirement of Carol Dovavan, for whom she was the deputy. Stephany Longley-DiPerri is the new assessing clerk and Christopher Carreira is the new Zoning Enforcement officer; these are the two people who are replacing Dave DuVarney, who retired after long service to the town.

Fiber was brought to Rindge through the efforts of the Teltech Committee, with the support of the Board of Selectmen and the overwhelming support of the voters. We were one of the first towns in New Hampshire to take advantage of new legislation that allowed towns to create bond agreements that allows fiber companies to borrow at a reduced interest rate. This made it affordable for fiber companies to build fiber networks in small rural areas. Consolidated Communications Inc. (CCI) has signed up many New Hampshire towns and brought in workers from all over the country to wire the town in a few months. Our thanks go out to Craig Clark, from the Teltech committee served as liaison for the town with CCI for installation issues.

The Wellington Bridge was completed this past summer in a timely manner despite some heavy rain delays. The closure in the summer was done to allow it to be completed quickly and cheaply. Although the state is picking up 80% of the cost, we were responsible for nearly a quarter million dollars. Most of this money we had set aside over the past ten years through warrant articles that were supported by the tax payer and prevented our having to face a huge tax hike last year.

We have many appointed positions in the town that are not completely filled. Last year we had open positions that were filled by a last minute submission to be on the ballot and several write-in campaigns. If you are interested in a committee or board you should attend their open meetings. You could become an alternate when there is an open position available.

There are a number of charitable and service organizations that work to improve Rindge and provide support for people of projects in need. A phenomenon affecting the future of these groups is a declining membership and resultant burden on those who try to keep these organizations going. Many of these organizations could use your support financially or through work as a member.

I would like to acknowledge some of these groups to honor them and their work. I also hope that some of you might be interested in finding out about them. The following is a short list of

organizations I'm familiar with in the area: POOR, Rindge Food Pantry, Got lunch program, RAMS, Rindge Chamber of Commerce, Rindge Police Association, Rindge Firefighters Association, Rotary, Interact, Scouting, coaching at the Recreation Department, Friends of the Library, Conservation Commission volunteers, Rindge Veterans, Rindge Women's Club, church groups and my apologies to those I've failed to mention.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Karl Pruter". The signature is fluid and cursive, with the first name "Karl" being more legible than the last name "Pruter".

By petition of 25 or more eligible voters of the town of Rindge, NH to see if the town will vote to urge that the New Hampshire General Court, which is obligated to redraw the maps of political districts within the state following the federal census, will ensure fair and effective representation of the New Hampshire voters without gerrymandering.

Additionally, these voters ask the town Rindge, NH to urge the NH General Court to carry out the redistricting in a fair and transparent way through public meetings, not to favor a particular political party, to include communities of interest, and to minimize multi-seat districts.

Furthermore, as the New Hampshire State Constitution, Part 2, Article 11 allows towns of sufficient population to have their own state representatives, not shared with other towns, for the town of Rindge, NH to petition the NH General Court for its own exclusive seat(s) in the NH House of Representatives if it does not already have it, ensuring that State Representatives properly represent the town's interests.

**Deliberative Session
Meeting Minutes
Town of Rindge, NH
January 30, 2021**

To the inhabitants of the Town of Rindge in the County of Cheshire, in said State of New Hampshire, qualified to vote in Town Affairs.

You are hereby notified that the first session (deliberative) of the Annual Town Meeting of the Town of Rindge will be held at the Rindge Memorial School on School Street, in said Rindge on Saturday, January 30, 2021 at 9:00 a.m. with a snow date of Monday, February 2, 2021 at 6:00 p.m. Warrant Articles may be amended at this session per RSA 40:13, IV, with the exception of Warrant Articles whose wording is prescribed by law and cannot be amended per RSA 40:13, IV-a. Warrant Articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended.

You are further notified that the second session of the Annual Town Meeting of the Town of Rindge will be held at the Rindge Memorial School in said Rindge on Tuesday, March 9, 2021 at 7:00 a.m. to vote on all warrant articles from the first session on official ballot per RSA 40:13, VII. The polls will be open on said date at 7:00 a.m. in the forenoon and will not close until 7:00 p.m. in the evening.

Meeting started at 9am. Charlie Eicher (aka The Moderator) opened the meeting by explaining the pandemic protocols for the deliberative meeting. He then led the town's people in the Pledge of Allegiance. The Moderator then introduced the people that were there from the town office and then explained the rules of the meeting. He asked if there were any questions and Deneen (Deni) Dickler came to the microphone. She had a question about Article 3's terminology not being in compliance as written. The Moderator explained it can't be amended at this time since the warrant has already gone through the process. Kirk Stenersen then stood up and explained to the room that the Article is written correctly. He said that special exceptions apply. Deni said she does not agree, but accepted the ruling.

Currently the parcel is bisected by the Business – Light Industry and Residential – Agricultural Zoning Districts; the amendment would include the parcel exclusively in the Business – Light Industry District. (Recommended by the Planning Board: 5 in favor, 1 opposed, 1 abstained)

Article 9: Are you in favor of the adoption of this amendment to the Town of Rindge Zoning Map as proposed by the Planning Board and generally described as follows: Amend the Zoning Map such that all of Map 2 Lot 54 lies within the Business – Light Industry District. Currently the parcel is bisected by the Business – Light Industry and Residential – Agricultural Zoning Districts; the amendment would include the parcel exclusively in the Business – Light Industry District. (Not recommended by the Planning Board: 0 in favor, 7 opposed)

Article 10: To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling Four Million Five Hundred Thousand Dollars (\$4,500,000). Should this article be defeated, the default budget shall be Four Million Four Hundred Thirty Thousand and Three Hundred Forty-Seven Dollars (\$4, 430,347) which is the same as last year with certain adjustments required by previous action of the Town of Rindge or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Recommended by the Board of Selectmen 3 in favor, 0 opposed. Not recommended by the Budget Advisory Committee, 3 in favor, 3 opposed)

Roberta Oeser presented this Article. She stated the budget had gone up, but is necessary and reasonable. She said there are 39 new building permits for Main Street alone. New residents are part of the reason for the increase. Wages and benefits are the biggest increase. Overall budget increase is \$325,000- 7.8% over 2020. Actual increases are \$142,000 without the Consolidated Bond – 3.4% over 2020

2021 Budget = \$4,500,000

2020 Budget = \$4,175,000

2019 Budget = \$4,053,509

2018 Budget = \$3,978,624

Estimated Revenues:

• Non-Real Estate Taxes	\$ 61,747
• Licenses, Permits & Fees	\$1,402,939
• From State	\$ 522,172
• Charges for Services	\$ 30,604
• Miscellaneous	\$ 16,818
• Consolidated Bond Payments	\$ 186,000

The Moderator asked for any discussion – Phil Motta clarified that the budget with Consolidated Bond is 3.4% increase, not 4.3% as shown on original slide. (Slide has been updated for these notes.) Roniele Hamilton came to the microphone and read the following letter:

“Thank you, as I think we still have our free speech at the moment! I would like to explain why I believe it is important to pass the Rindge budget this year! I know & understand that it has been a hard year, along with the assessments, the last thing we want is paying higher taxes. However, I honestly believe that this very well could be our last decent budget that this town will have for quite some time, and we are not alone. Now, I don’t speak of “doom & gloom”, but understand what is transpiring in the coming months, with all forms of energy and Federal Taxes, and if it all holds true, I fear our dedicated workers from all departments, and our services, will be diminished! And more so, by voting for the default budget. So please, please vote YES on Mar. 9th to pass this budget, so our towns people can still have and maintain the important services from each of our hard-working department heads, employees, those that are holding office by way of elected or appointed, and many of our devoted boards and committees to try to continue to accomplish and achieve our way of life in this great town of Rindge. To the Board of Selectman, I want to thank you, as I can without a doubt, say, I know how brutally hard you have worked.

Thank you,
Roniele J. Hamilton”

Article 16: To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000) to be added to the Fire Department Equipment Capital Reserve Fund to save for the replacement of the Command Vehicle. This would be the first of two payments to be put toward the vehicle's replacement. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 5 in favor, 1 opposed)

Roberta Oeser presented this Article. This is for the future expense of a Command Vehicle. Chief Rick Donovan said the current vehicle will work for the current year.

The Moderator asked for any discussion? There was none

Article 17: To see if the Town will vote to raise and appropriate the sum of Fifty Seven Thousand Seven Hundred Thirty Six Dollars (\$57,736) to hire a ninth Full-time Police Officer to be hired no sooner than April 1, 2021. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed.)

Karl Pruter presented this Article. The ninth officer would allow the department to have 24/7 coverage. The cost includes salary, retirement and benefits. Currently the department is functioning with less coverage than necessary. The Chief and Sergeant are having to fill the uncovered hours at this time. Salaries in Rindge are not as high as the surrounding towns. Turnover is frequent. At this time Chief Dan Anair came up to discuss the need for the officer. His presentation was as follows:

1. Criticisms from the community

- Never seen patrolling
- Always in the station
- Never around when needed
- Always too quick to complete an interaction

2. Rindge Police Department goals

- Reduce criminal victimization within our community

- Increase positive contact with our community and its visitors
- Reduce preventable motor vehicle accidents
- Increase positive collaboration with our community

3. Benefits of new officer to the community

- Reduce response times to some of our calls
- Increase the number of officers during our busier days and times
- Reduce quality of life issues (noise, traffic complaints, etc) through proactive strategies
- Increase in effective and efficient patrols
- Reduce victimization
- Increase in ability to thoroughly investigate crimes in a more timely manner

4. Cost to the community - can the community afford a 9th officer?

- FTE calculators say we need 12 full time officers
- Our own data analysis shows a need for 12 full-time officers
- The current cost of adding only the 9th full-time officer at this time:
- A reduction of \$781 from the police budget in 2022

5. Final thoughts

- With so many added benefits to our community by incorporating a 9th full-time officer to the roster, is it not worth the reduction of \$3,000 from the police budget?
- Can you feel what it is like to save money AND add a benefit for our community?
- What does it feel like to you to have a more positive police presence helping the community with reducing criminal victimization, increasing effective motor vehicle patrols and having more time to give and to collaborate to the benefit of their community?

The Moderator asked for any discussion? Cheryl McCabe had a question. She asked that Dan Anair speak more about the reduction in budget for next year and made note that there would still be another increase in this year's taxes. She supports the article. Dan Anair responded that it takes 6 months to train an officer from desk to cruiser. Costs are for training for 6 months, full-time pay and benefits for those 6 months PLUS overtime paid for officers to fill in the hours not covered. Once they are trained, they often go to the surrounding towns that pay \$10-14,000 a year more than Rindge. The cost for training a new officer is approximately \$60,000 for training and new uniforms and equipment. Every week there is a 10-hour shift that is not covered. Dan Whitney spoke next, speaking to the criticisms Dan Anair spoke of earlier. Prioritizing is not a minor issue. Having to prioritize police calls should not happen. Since salaries are lower than neighboring towns can we vote to increase salaries so that officers can have days off and full coverage? We need to invest in this department. Please vote yes. Ashley Saari spoke next. She asked what the cost for next year would be and to please explain how it is less than this year. If retention of officers is an issue, can we set up a loyalty program with bonuses – an incentive program possibly. Dan Anair answered the 2022 cost for an officer is \$80,881 which includes benefits, equipment and salary.

Dan Whitney made a motion to limit reconsideration of the past 3 Articles.

Article 18: To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Seven Hundred and Fifty Dollars (\$12,750) to be added to the Revaluation Capital Reserve Account previously established for the 2025 Revaluation and to authorize the withdrawal of Twelve Thousand Seven Hundred and Fifty Dollars (\$12,750) from the unassigned fund balance for this purpose. (Recommended by the Board of Selectmen, 3 in favor, 0 opposed. Recommended by the Budget Advisory Committee, 6 in favor, 0 opposed.)

Bob Hamilton presented this Article. This is for revaluation costs. This warrant allows the cost of revaluation to be spread out over 5 years instead of coming up with the money all at once in 5 years. At this time Bob Hamilton thanked all the people that came from the town offices to attend the deliberative meeting.

Article 19: To see if the Town shall decrease the income limit amount for the disabled and elderly exemption to \$25,000 for a single person and \$35,000 for married couples and to reduce the asset limit to \$75,000 for a single person and \$100,000 for a married couple? (Recommended by the Board of Selectmen, 3 in favor, 0 opposed.)

Roberta Oeser presented this Article. She has pulled together information for a few months. The Town of Rindge has the highest qualifying income, highest home value and highest number of exemptions in the area. She doesn't think we should keep the limits where they are. See exemptions List as Appendix. She presented a list of why the current rates are not sustainable.

- **Currently, property that is not taxed: \$13,603,457.00**
- **We have to raise \$305,397 in additional taxes every year**
- **Current Town Tax Rate is \$3.88**
- **\$.44 of the tax rate is to pay for the tax exemptions**

Bob Hamilton suggested that if the Article does not pass, we should start a committee to study this.

The Moderator asked for any questions? Patricia Martin stated that she feels the town has been generous. She appreciates the food pantry and such benefits. She asked if the Article would change veterans or disabled exemptions. She is concerned if these exemptions are taken away it will push people from their homes. Roberta Oeser stated that the state sets some limits based on income vs assets. She also said that Rindge is one of the few towns that has disability exemptions. Her reason for looking into this was the fact someone called and asked what the real estate tax benefits were in Rindge. She felt that shouldn't be a determiner to moving to Rindge. Patricia Martin stated people move here in general because of the fact there is no state tax. Why tax the most needy group of people? Dan Whitney stated he saw this Warrant Article at the Budget Advisory Committee meeting. He would like to amend the Article to state that we should start a new committee in Rindge to look at all these exemptions. He would like to replace Article 19 as it stands. The moderator made a ruling that the proposed warrant article change could not be made as it altered the subject and intent of the original warrant article. Dan Whitney accepted the moderator's ruling. The moderator further stated that the Article could be changed to form a committee to study the exemptions to be prepared for 2022. Dan Whitney will rewrite the amended Article. Holly Koski stated that figures should be net figures not gross figures per an RSA number not provided. She suggested Roberta Oeser check the RSA and follow it. She wants some time to further look into the figures and information she has collected to study this. Dan Whitney came back to the microphone and read his amendment to the Article. It states:

Amended Article 19

To see if the town shall form a committee to study the feasibility of decreasing the income limit amount for the disabled and elderly exemption for a single person and for married couples and to reduce the asset limit for a single person and for a married couples.

The Moderator asked for response – none. He then made a motion to amend Article 19 and Tom Coneys seconded the motion. The Moderator asked for a vote the results were 18 YES and 6 NO. Motion carries. Article will be amended.

Article 20:

By petition of 25 or more eligible voters of the Town of Rindge, NH to see if the town will vote to urge that the NH General Court, which is obligated to redraw the maps of political districts within the state following the federal census, will ensure fair and effective representation of the New Hampshire voters without gerrymandering.

Additionally, these voters ask the Town of Rindge, NH to urge the NH General Court to carry out the redistricting in a fair and transparent way through public meetings, not to favor a particular political party, to include communities of interest, and to minimize multi-seat districts.

Furthermore, as the NH State Constitution, Part 2, Article 11 allows towns of sufficient population to have their own state representatives, not shared with other towns, for the town of Rindge, NH to petition of the NH General Court for its own exclusive seat(s) in the NH House of Representatives if it does not already have it, ensuring that State Representatives properly represent the town's interests.

Jeff Dickler presented this Article. He read the following:

"In NH we want to protect our FREEDOMS. One of the most important basic freedoms in our country is the right to vote for our leaders, laws, and representatives. Partisan GERRYMANDERING is a method to take away that FREEDOM by allowing the party in power to divide up the voters in a way that ensures that they will stay in power. If your party is in power... you might love that you can dominate the situation. But just remember that the next time you may be on the losing end and then lose your freedom to choose. If the state passes gerrymandering prevention now, by creating a transparent, non-partisan redistricting process, then hopefully this won't happen. We want to stop this partisan cheating, which uses our FREEDOM to vote as just another political football. SO please vote for this Warrant Article #20. It will instruct our representatives to the government in Concord to support the bill for non-partisan redistricting. On March 9 when you go to mark your ballot, vote YES for Warrant Article #20. Tell your representatives in Concord that RINDGE does not want Gerrymandered districts. Support the bill for non-partisan redistricting. Rindge chooses to protect our FREEDOMS."

Jeff Dickler also had a slide that has been attached as an Appendix.

Jim Qualey expressed his thoughts on the Article as written. He stated he is the current Representative for Rindge. He stated the following:

- The process of redistricting currently does represent the population of the Town of Rindge.
- In reviewing the records of the past 10 years, whole parties have changed so how could it be said that the redistricting has not been fair. It has been non-partisan.
- There are 33,000 voters per representative
- He sees no gerrymandering in Rindge as House Representative.
- He does not agree with the content, and does not recommend people vote for this Article

The Moderator asked for any discussion of this Article? Jeff Dickler stated that this impacts the entire state, not just Rindge. He will have more information for residents on Social Media.

Article 12:

Shall the town vote to adopt a Conflict of Interest Ordinance based on RSA 31:39-a. This proposed Conflict of Interest Ordinance seeks to prevent conflicts between private interests and public duties. This proposed ordinance defines and regulates conflict of interest for local officers and employees whether elected, appointed or volunteer. If passed this ordinance would take effect immediately. (This is a petition warrant article.)

Article 13:

The Board of Selectmen shall provide funds to defend decisions of the Rindge land use boards (including but not limited to the Zoning Board of Adjustment and Planning Board) when those decisions are challenged through the Superior Court, Supreme Court, Housing Appeals Board or any other system established for this purpose. The Board of Selectmen shall at minimum include the Chair of the land use board whose decision is challenged at all stages of the legal defense. (This is a petition warrant article.)

Article 14:

By petition of 25 or more eligible voters of the town of Rindge, to see if the town will go on record opposing the retail sale of dogs and cats in pet stores in the town. This resolution is necessary because the majority of dogs and cats sold in pet stores are sourced from large-scale, inhumane commercial breeding facilities commonly called "puppy mills". The record of this vote shall be transmitted by written notice from the selectmen to the town's state legislators and to the Governor of New Hampshire. (This is a petition warrant article.)

Article 15:

Shall the town require the Rindge Planning Board establish a Solar Energy Subcommittee? The mission

of the subcommittee will be to create a Solar Power Ordinance which will guide the incorporation of Solar Energy Systems and Distributed Generation Resources in future construction. The ordinance will be completed and available for adding to the Rindge Zoning ordinances by vote at the town meeting in 2023. This will bring Rindge Zoning Code into compliance with RSA 674:17.I(j), RSA 477:49-51. (This is a petition warrant article.)

Given under our hand and seal this 5th day of February in the year of our Lord, Two Thousand andTwenty-Two.

RINDGE BOARD OF SELECTMEN

KARL PRUTER - CHAIR

ROBERT HAMILTON

MARYBETH QUILL

TOWN CLERK

LAURALEI KNIGHT

**REPORT ON INTERNAL CONTROL BASED ON
AN AUDIT OF BASIC FINANCIAL STATEMENTS**

To the Board of Selectmen
Town of Rindge, New Hampshire

In planning and performing our audit of the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Rindge, New Hampshire (the Town) as of and for the year ended December 31, 2020, in accordance with auditing standards generally accepted in the United States of America, we considered the Town's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control.

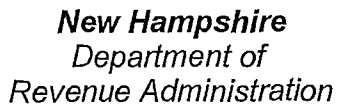

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, the Board of Selectmen, and others within the organization, and is not intended to be, and should not be, used by anyone other than these specified parties.

Requirements for Semi-Annual Billing

Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." Town Clerk Remittance Report to Treasurer

Jan 1st 2021 through Dec 31st 2021

Regarded to be the heart of local government, the Town Clerk's office is where you go when you first move to town to find out what is required to become an "official" resident of the town. It's the office you visit each year to register your motor vehicles and license your dogs. When your family expands, it's where you can pick up your child's birth certificate. When you are preparing to marry, it's where you acquire a marriage license. And it's where you go to register to vote or file for candidacy for public office. The Town Clerk is the official keeper of municipal archives and is responsible for maintaining a chronological record of vital records pertaining to the town, including births, deaths, and marriages that occurred in the town. In addition, as a chief election official, the Town Clerk is responsible for administering oaths of office to all elected officials and appointed members of local boards and committees. The Town Clerk's office collected the following in 2021:

Motor Vehicles (including title apps.)	\$1,387,787.40
Agent Fees	\$ 27,180.50
Marriage Applications	\$ 3,350.00

Rindge Trustees of the Trust Fund 2021 Annual Report

This past year has seen the Trustees add two alternates with a vast array of business experience. Anne Reed is a CPA accountant and has ideas on how to streamline reporting and bring our processes in to compliance with accepted accounting principles. Vern Young has extensive experience in running both retail and travel businesses. We appreciate their willingness to serve and join the elected trustees.

One of our major accomplishments was consolidating all investment accounts with Citizen's bank, reducing costs and simplifying state reporting requirements. Citizens is well versed in the Prudent Man investment strategy and has prevented some of the wild swings we have seen in the stock market over the past twelve months.

The number of students requesting scholarship aid has decreased and it has allowed us to increase the amount of aid offered to each student.

Board of Adjustment

The BOA is an elected board that provides citizens a monthly public hearing to express their need for a variance or exception from a zoning regulation. Using the same criteria to assess every case, the board ensures all citizens are treated equitably.

The board consists of five members who are elected in the manner prescribed by NH RSA 669 and up to five Alternates appointed by the sitting regular member.

Board members are: George Carmichael (Chair), Marcia Breckinridge (Vice-Chair), Phil Stenersen, William Thomas and Deni Dickler

Alternate members are: Marty Kulla

The Zoning Board of Adjustment considered sixteen cases during 2021, they were as follows:

Four applications for Appeal of Administrative Decisions

Six Special Exceptions. Five were approved, one was denied.

Six Variances: Four were approved, one was withdrawn and one continued to 2022.

The hard work and dedication of all Members, Alternates, and our Clerk is greatly appreciated.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "George Carmichael". The signature is fluid and cursive, with the first name "George" written in a larger, more prominent script than the last name "Carmichael".

Budget Advisory Committee

For 2021 the members of the Budget Advisory Committee were: Phil Motta - Chair, Sharon Rasku - Vice Chair, Casey Burrage - Secretary, Tom Coneys, James Burger, and Dan Whitney. Karl Pruter was the Ex Officio member from the Board of Selectmen.

The BAC met jointly with the BOS several times in public meetings. Over the course of these meetings, we reviewed the various expenses by the different town departments and we also reviewed the department head requests for the proposed 2022 budget.

The BAC also held meetings independent of the BOS where we reviewed and discussed the proposed budget. All of the BAC meetings were public and were posted publicly.

There were several substantial increases to the proposed 2022 budget that are due to the current inflation causing higher prices for fuel, heating oil, road salt, and many other items that are beyond the control of the departments. The police department and fire department now respond to a significantly higher volume of calls than in previous years. Each year sees the call volume for both departments continue to increase. There are also some contract items that had increases as old contract rates expired and new contracts came in with higher bid prices than the old contracts.

Faithfully submitted,
Phil Motta, Chair

CAPITAL IMPROVEMENT PLAN COMMITTEE

Like many Town Committees Covid had a major impact on meetings. Additionally, it is with great sadness we share that our chairperson, Ellen Smith, had to resign due to her work commitments. Ellen and Jason Paolino rebuilt the CIP committee, and their guidance has been invaluable to the town bringing back a scheduled process in funding town purchasing and equipment replacement. We held three meetings in 2021 and met with all the town departments to discuss their needs for 2022.

The recommendations for 2022 are:

Lease payment five of five for Fire Engine #1

Lease payment three of five for the Rescue truck.

\$86,000 for the Highway Equipment Capital Reserve Fund for the purchase of a six wheel dump truck in 2022. This is the third year of saving.

\$30,000 appropriation for Revaluation Capital Reserve fund to continue saving for the next revaluation.

\$12,000 appropriation for the Cemetery Capital Reserve Fund. This is the final year of this project

\$25,000 appropriation for the Library Capital Reserve Fund for furnace replacement .

\$30,000 appropriation for Police Body Cameras. This is year one of a six year plan.

CEMETERY TRUSTEES

Maintaining our cemeteries in good condition requires on-going effort for routine maintenance and capital improvements. The Cemetery Fund established by the Town in 2018 is being used to address needed improvements at the Meeting House Cemetery and the Hillside Cemetery.

During the summer and fall of 2021 the following projects were completed:

- Removal of 2 dead Rock Maples at the Meeting House Cemetery
- Removal of one large White Pine at Hillside Cemetery
- Repairing and resetting of several historic monuments at Meeting House Cemetery

In 2021, there were six full burials and thirteen cremation burials.

The Cemetery Trustees, as required by New Hampshire, establishes cemetery regulations and maintains records, oversees the care of cemeteries, lot sales and burials. A line item is included in the Rindge Department of Public Works Budget for cemeteries. Rindge DPW Director, Michael Cloutier, serves as Sexton of our cemeteries and all maintenance, care, and burials are conducted by the Rindge DPW.

The cemeteries of Rindge provide a dignified, final resting place for our citizens. From the time Rindge was chartered as a town to the present, these cemeteries have provided an important service and outdoor history. The Cemetery Trustees express their gratitude to the Board of Selectmen and Department of Public Works for their on-going care of Rindge cemeteries.

I would like to thank Michael Cloutier on behalf of the Cemetery Trustees for his dedicated role as Sexton. He and his DPW crew do an incredible job maintaining and caring for our cemeteries.

Jan. 9, 2022

Fellow Rindge citizens,

Though impacted by the Covid pandemic for the second year, the Rindge Conservation Commission had a busy year. Our most involved and ongoing project is the acquisition of property on Old New Ipswich Rd. for the Town to protect an important water aquifer, maintain wildlife corridors and habitat as well as provide recreational opportunities for the residents of Rindge. The sale of Rindge Stone and Gravel late in the acquisition process by the former owner to a new owner required that the scale of the project be adjusted from 360 to 225 acres. The property has been surveyed, a zoning variance has been granted and the subdivision has been approved. Financing through grants and fundraising, much of that through a local matching goal, is complete, the final legal details are being completed and the Commission is looking forward to a closing in the second quarter of 2022.

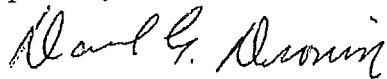

A yearly tradition of the Commission has been guided hikes on various Town conserved properties, at different times of the year, usually with a seasonal theme, did continue and is growing in popularity. These hikes are noticed well in advance in local publications and on the Town website, so check there if you are interested in this activity. Speaking of activity, the Commission and Conservation Corps spent quite a bit of time clearing winter storm damage and summer over growth from trails and open areas at Converse Meadow, Miriam Hunt Forest, Tetreault Park, Roger's Landing, Schoolhouse Park and the Ford Family Nature Preserve. Total volunteer hours by Commission, Conservation Corps and community members exceeded 640 hrs.

The Commission was a participant at the Rindge Farmers Market with an informational booth regarding conservation properties and objectives as well as merchandise sold to support conservation efforts. The Commission helped update geologic data using ground penetrating radar working with experts from the U.S. Geological Survey in the southwest part of Town. The Commission also engaged a wetlands scientist to update the town wide wetlands study, this will complete the initial study done over 20 years ago.

One of the responsibilities of the Commission is to review wetlands applications before the Board of Adjustment, as well as plans forwarded by the Planning Board, and this year was very involved in some major residential and commercial developments for their impact on wetlands. We thank the Board of Adjustment and the Planning Board for their consideration of our recommendations. The Commission would also like to take this time to thank the Rindge Highway Department for their continued assistance in our efforts to maintain and improve conserved Town property.

On a sad note, Paul McPhie, a dedicated and passionate member of the Commission passed away in 2021. He was instrumental in the acquisition and maintenance of the Ford Family Nature Preserve as well as very supportive of the RS&G project and any property work day. Paul represented the Commission working with the American Chestnut Foundation that resulted in new trees planted by the Meeting House and at the West Rindge Common. His enthusiasm, perspective and participation will be greatly missed.

Annual Report from the Rindge Energy Commission

The Rindge Energy Commission began 2021 with the following objectives:

- 1.) Implement/identify energy efficiency/weatherization projects with paybacks of 5 to 7 years as identified in the 2011 Investment Grade Energy Audit Reports.
- 2.) Assist other town boards, departments, and committees in tracking and optimizing energy usage.
- 3.) Troubleshoot problems identified through tracking energy usage at various buildings.
- 4.) Support the efforts of the Jaffrey-Rindge School District to reduce energy consumption.
- 5.) Follow developments in New Hampshire's newly enacted Community Power legislation.

Since 2012, Rindge has spent an average of \$11,000 less per year on total energy costs over expenditures in 2011. While weather conditions and fossil fuel costs vary widely from year to year, savings from our two streetlight projects are very consistent. Since the first streetlight project in 2011, the town saved \$5,000 per year by converting to energy efficient lighting. With the recent 2019 LED streetlight project, the town is saving an additional \$7000 per year for a total anticipated cost avoidance of \$12,000 per year.

The Energy Commission continues to participate in statewide meetings regarding Community Power purchasing options. Much like the Monadnock Buying Collaborative that the town participates in for lower electric supply pricing, Community Power would allow businesses and residents to participate in a bulk electricity supply purchase agreement.

The Energy Commission supports an investment grade energy audit for the Wellington Recreation Building in 2022 with the help of the Department of Public Works and the Recreation Department. The Wellington Recreation building is the only town building that has not had an investment grade energy audit performed. Since electricity consumption is up 55% this year, compared with 2011, it seems advisable to gather good data on the building and look for savings opportunities.

The Energy Commission was delighted to have Rex James, who has extensive expertise in solar, join the Commission this year.

The Energy Commission meets on the second Thursday of every month. New members and the public are always encouraged to join us. We seek new members to help us.

Total Energy

The Town of Rindge spent approximately \$26,002 less on energy consumption in 2021 compared with 2011. Rindge expended approximately \$60,872 in energy dollars (excluding transportation but including the 50% paid by the Congregational Church for the Meeting House energy expense) in 2021. In contrast, Rindge spent \$64,269 in 2020 and \$86,874 in 2011. Since most of the energy efficiency projects were completed in 2012, the baseline year is 2011. Rindge spent \$20,663 on oil, \$1559 on propane, \$34,990 for building electric, and \$3,660 for streetlight electric for a total of \$60,872 in 2021.

Heating

2021 was a relatively warm year with 5354 Heating Degree Days (HDDs) compared with 5813 in 2011 and only 4911 in 2012. Overall, the Town used 4799 (32.3%) fewer gallons of oil than in 2011, but some

of that savings can be attributed to reduced occupancy due to the pandemic as well as a warmer winter. The town spent \$20,663 on oil in 2021. Oil consumption was down at all buildings in 2021.

With the help of the Department of Public Works, the energy commission will apply for a grant from NHSAVES to cover an investment grade energy audit of the Recreation building.

Electricity

In 2021, Electricity consumption for the town buildings was up by 1% compared with 2011 usage levels. The increases in town consumption occurred mostly at the Highway Garage and the Wellington Recreation building.

The Office Trailer and the Highway Garage were switched to be on the same meter in May of 2020. This caused the Highway Garage meter to double in consumption since the two buildings consumed similar amounts of electricity in 2020. In 2021, electricity consumption at the Highway Garage increased again. It is unclear why this happened but will be studied in 2022.

The 2011 Streetlight conversion project continues to save at least \$5000/year compared with the higher rate paid prior to 2010 (Streetlight conversion project occurred in mid-2011).

Voters passed a warrant article in 2019 authorizing the replacement of all streetlights with LED lamps. The project was completed in May of 2020 at a cost of \$8000. This project has exceeded savings projections and the town saw reductions of more than \$3000 in 2020 and \$7000 in 2021 compared with 2019. The project paid for itself in 18 months and will continue to save the town approximately \$7000 per year in streetlight costs.

The heat pump for the sprinkler shed project was funded in late December of 2019 and helps the town avoid approximately \$1000 per year in electricity costs at the Meeting House. The 2021 electric bill for the Meeting House was \$2,485 compared with \$3,749 in 2019 and \$3,226 in 2020, so the goal of reducing expensive demand charges during the heating season has been met.

The Energy Commission still supports an LED replacement project for the Town Offices proposed in 2020 that would save the town \$100/month. It has yet to be budgeted.

The DPW should continue the excellent job it has been doing with procurement and energy efficiency projects.

Report of Forest Fire Warden and State Forest Ranger

Despite a brief flurry of wildfire activity across the state this spring, the summer and fall months saw weather conditions which kept the fire danger consistently at low levels. The Rindge Fire Department and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. The towers' fire detection efforts are supplemented by the NH Civil Air Patrol when the fire danger is especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

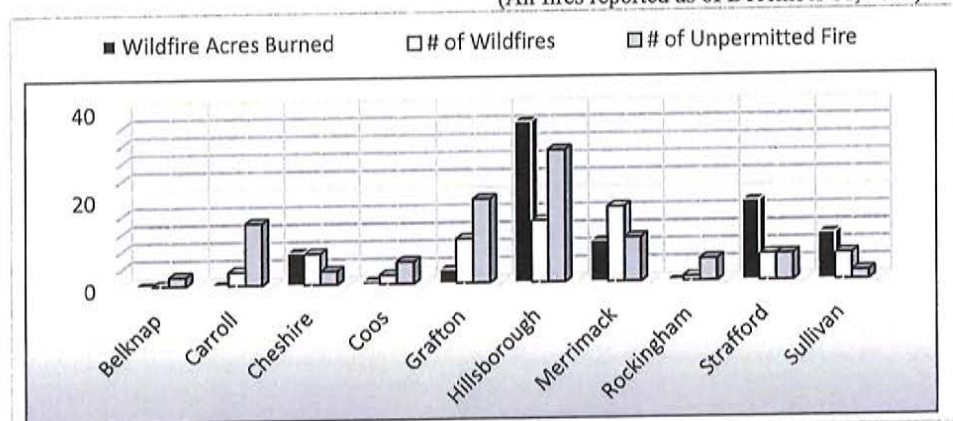

The long lasting drought effects in Coos County are showing some minor signs of improvement but a good portion of northern Coos remains in the abnormally dry category with the northeastern portion still remaining in moderate drought. While the drought conditions have improved, we expect some areas of the state may still be experiencing abnormally dry or drought conditions this spring. For this reason, we ask everyone to remember Smokey's message about personal responsibility and follow his ABC's: **Always Be Careful** with fire. If you start a fire, put it out when you are done. **"Remember, Only You Can Prevent Wildfires!"**

As we prepare for the 2022 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.NHfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nh.gov/nhdfl/. For up to date information, follow us on Twitter and Instagram: @NHForestRangers

Meeting House Oversight Committee

The Meeting House Oversight committee is charged with the maintenance needs of the building. After a yearlong covid delay in 2020 the committee once again commenced regular meetings in 2021. The members decided that the greatest and most immediate need was the painting of the steeple. Two grants were applied for and awarded to aid in funding this project. The Roy A. Hunt Foundation and the NH Preservation Alliance awarded these grants. To apply for two additional grants, the Meeting House needs to be professionally re-assessed for its needs. This will mean a delay to the start of the painting project.

The delay does enable the Ralph and Gertrude trust Fund to accrue more funding which, in the past, has generously contributed funding toward maintenance projects. Hopefully, the painting and possibly needed repair of the clock hands will happen in 2023. Smaller repairs are being regularly done by the town's Buildings Maintenance Department.

The agreement between the Town and the Church about cost sharing for maintenance will most likely be a matter for public discussion in 2022.

TELETECH COMMITTEE

The Rindge Telecommunications and Technology Committee, also called the TelTech Committee, is comprised of a group of volunteers that offer advice to the town on matters relating to services, software, and systems used for telecommunications and technology. The regularly scheduled public meetings were held on the 3rd Monday of each month.

The members of the committee are: Chairman, Phil Motta, Vice Chairman, Craig Clark, and Tim Wessels. This year the ex-officio member of the Committee has been Selectman, Karl Pruter. This is a volunteer committee and we meet on the third Monday of each month. Our meetings are always open to the public

This year the most important thing the Committee has been involved with has been the Fiber to the Premises Project. In 2020, the town voted in favor of the warrant article to go forward with a solution offered by Consolidated Communications. The fiber rollout to the homes started in the end of February and continued through the spring and summer.

The Committee has been providing information to residents of the town as to the progress of the project. The Committee has also been communicating with Consolidated Communications, bringing them questions and concerns from people in town. Tim Wessels participated in the project meetings with Consolidated Communications and provided regular updates prior to the final implementation. Craig Clark has been answering many questions for people by phone, in person, and in online discussions.

There were a lot of challenges due to the size and scope of the project. Communication was made frequently with Consolidated to address issues as they arose. Craig Clark continues to go above and beyond in this work.

Phil Motta,
Chairman

Town Gown Committee Report – 2021

The Town of Rindge and Franklin Pierce University work collaboratively together on the Town Gown Committee. The committee consists of Representatives from Franklin Pierce University, The Town of Rindge, and members of the Rindge community. The committee meets monthly as a group and may meet more often to discuss specific events.

The Town Gown Committee's Vision: Rindge is a community of people who live, work and learn together in a positive, synergistic way on a daily basis.

The Town Gown Committee's Mission: The mission of the Rindge-Franklin Pierce University Town Gown Team is to ensure a vibrant working relationship and reliable communication for the betterment of all and to have a direct line of communication between the organizations.

During 2021, the committee collaborated on the following:

- Created an open dialogue and partnership for any event or safety response configuration on campus
- Rindge invited FPU to join weekly Emergency Management meetings when held
- Welcoming students back in Fall semester following COVID protocols (Police, Fire, EMS)
- Coordination with Special Events and sporting events on campus
- Commencement following COVID protocols (Police, Fire)
- Partnered with enforcement of Rindge Ordinances among some off campus students
- Communication surrounding testing, positive cases in the community and vaccination numbers at the college.
- Numerous training sessions on topics such as alcohol and other drug, enforcement and prevention and mental health (Police, Safety, Fire, EMS, Res. Life, etc.)
- Voter registration and education
- Discussions regarding traffic control at major Franklin Pierce events
- Discussions regarding Police, Fire and EMS call response protocol

The transition from electronic meeting to meeting in person was greatly accepted.

Respectively submitted,

Sara Gravell

Town Administrator

Report of the Building Department

The Rindge Building Department conducted over 800 inspections in 2021. In 2022 we will continue to update the department's website (rindgefire.org) with all permit applications, worksheets, inspection schedules, permit fees, and information pertaining to obtaining a permit. I continue to look forward to working with all homeowners and contractors performing work in the Town of Rindge.

The Town of Rindge Building Department issued thirty-four (34) Residential Single Family Dwelling Permits; six (6) Replacement Single Family Dwelling; ninety-three (93) Residential Accessory Permits; one (1) Residential Accessory Dwelling Unit; seven (7) Commercial Accessory Permits; eleven (11) Swimming Pool/Hot Tubs; eleven (11) Demolition Permits; one hundred fifty-eight (158) Electrical Permits; four (4) Solar Array Systems; sixty-five (65) Plumbing Permits; four (4) Fire Safety Permits; one hundred ninety-three (193) Mechanical Permits; thirty-seven (37) Occupancy Permits.

REVENUE SUMMARY:

Building Permits: \$81,466.87	Electrical Permits: \$13,095.00	Plumbing Permits: \$4,465.00
Mechanical Permits: \$10,060.00	Fire Safety: \$720.00	Filling Fees: \$561.80
Reports: \$47.50		

PERMIT REQUIREMENTS

Permits are required for all construction within the Town of Rindge including remodeling, additions, sheds, outbuildings, decks, pools, sun decks, demolition of a structure, etc. A permit is also required for all electrical, plumbing, mechanical, oil and gas appliances including piping, wood burning equipment, chimneys, etc. Permit applications and information may be obtained at the Rindge Building Office located in the Rindge Town Office Building on Payson Hill Rd. Permit applications may also be downloaded from the town's website.

All contractors are required to file a permit application to obtain a permit for their respective trade prior to starting the work. Examples are electrical, plumbing, mechanical permits, etc. This process will ensure better management of building projects within the town. This procedure will guarantee the contractor's endorsement for the building project.

The Rindge Building Department encourages all resident's and contractors planning any remodeling or construction projects to first contact the Building Office prior to construction, remodeling, repairing, demolish, altering, etc. to obtain information on the permit process and what permits may be required as well as what codes and code editions are adopted.

NOTE:

A permit must be obtained prior to the commencement of work unless it is an emergency, in which, a permit must be obtained the next business day. Any work started prior to obtaining a permit will result in the permit fee being doubled.

Respectfully Submitted,

Rickard J Donovan, Director of Public and Life Safety

Report of the Public Works Department

The Rindge Department of Public Works strives to give the citizens of Rindge quality roads. Assessing the condition of and maintaining the town roads are our main priorities. The Town of Rindge maintains sixty-five miles of roads.

The Department was asked to develop a 5-year Road Plan by the Board of Selectmen. The Town has 65 miles of class 5 maintained roadways, this plan is a fact-based foundation/profile of Rindge roads to develop a thoughtful ongoing strategy for road construction and maintenance and to expand this strategy into a longer range plan. The Board of Selectmen accepted this plan; however, trying to maintain a level budget has somewhat hindered the full fruition of this plan we have increased the paving line a little in the last couple of years. This year the Highway Block Grant funding we receive is \$173,020.00. The Highway appropriated amount was \$321,192 for this year. The plan does give a solid direction for sections, evaluation of roads and year's sections need attention using the Hub and Spoke Paradigm. Again, trying to maintain a level budget we have not been able to fund the gravel road maintenance line item. Our other Fall projects consist of preparing the Town trucks and equipment for the Winter months, raking and picking up leaves on all town grounds, preparing the Town parks for Winter, draining the water lines and winterizing bathrooms at Wellington Park, re-grading and ditching all the gravel roads, and patching, potholes.

The Winter months keep us very busy. Obviously, our main challenge is keeping the roads clear of snow and ice. This can be very challenging and tiring at times. It is not unusual for our crew to work 24-30 hours during major storms. We spend many sleepless nights to give the citizens of Rindge safe roads. The highway crew also services and maintains the equipment during the winter months and assists other town departments as needed. The town is fortunate to have such a talented and diverse group of individuals to provide this service. We have very dedicated crew members who really care about their jobs and take a lot of pride in their work. I would like to personally thank them for their dedication and many hours of work put in during the Winter months keeping all town roads safe for our citizens.

The Spring months keep us busy cleaning up from Winter and preparing for Summer. Projects in the Spring consist of: placing gravel and stone on the dirt roads during mud season, patching potholes, raking and picking up the rest of leaves from the Fall, power sweeping all the town parking lots, line striping all parking lots and crosswalks and roadways, opening the cemeteries maintaining lawns, fertilizing, cutting brush and trimming trees in preparation for Summer projects, repairing damages to property and road signs from Winter plowing, and preparing and advertising bids for the major Summer projects such as paving roads, drainage and reclamation of roads.

The major Public Works projects are performed in the Summer. These consist of: replacing drainage pipes, reclaiming roads in preparation for paving, grading dirt roads and line striping several roads, maintaining the Town Common, Police Station, Fire Station, Library, Meeting House, cemeteries, and the Town Office lawns, preparing Wellington Park fields for Summer recreation, and Roadside Mowing.

Highway Projects

- Placing 600 cubic yards of Gravel, stone on several dirt roads
- Resurfaced Grassy Pond Rd
- Resurfaced Hale Hill Rd
- Resurfaced Major Section of Old New Ipswich Rd
- Resurfaced Foster Terrace Rd
- Resurfaced Birch Drive
- Resurfaced Jay Drive
- Resurfaced Emerson Ln
- Resurfaced Foliage Way
- Continue Routine Roadside Ditching
- Several Miles of Roadside Mowing

Wellington Bridge Replacement Project

This year after applying for NH DOT Bridge Aid Program back in (2008) with acceptance of the grant and several years of saving through Warrant Articles the final stages of the design and placing the project out to bid. The Board of Selectmen chose Hoyle & Tanner to construct the bridge the total cost of the Bridge replacement was \$1,250,000.00 The Town Appropriated 20% = \$218,194.19 of the overall cost NH DOT Bridge Aid Program Appropriated 80% = \$872,776.76 saving the taxpayers \$872,776.76. The life span of the bridge is minimum of 75 years.

Conversville Bridge Closure

Conversville Road was also on the Red Listed Bridges with an estimated cost of \$750,000.00 to be replaced, (in 2014) I put together a Warrant Article to close the bridge and get approval from DOT for a roadway off 119. To save the cost of replacing the Bridge the warrant article was for \$28,000.00 saving the taxpayers \$722,000.00 the total savings for both bridges was \$1,544,776.76 I would like to thank the taxpayers for all their support on these projects.

Transfer Station

The Transfer Station and Swap Shop use continues to grow every year. We would like to thank the volunteers for all their personal time in organizing and staffing the Swap Shop. Without their help, the Swap Shop would not be the success that it is today. This year again has been difficult with Covid – 19 so we have had to close it for safety reasons we have reopened on Saturdays until the the Covid -19 is gone. Hazardous Waste has taken a new direction due to the lack of grant funding for smaller municipalities. We have partnered with the City of Keene in their Household Hazardous Waste Days in the Spring and Fall. Rindge citizens can take their hazardous waste to the Keene Recycling Center located on Route 12 in Keene, Those dates can be found in the Keene Shopper Newspaper in the spring and fall Rindge Citizens are required to provide proof of residency to dispose of their hazardous waste. Cost of disposal is the responsibility of the citizen at the facility's disposal rate.

The Recycling Program has recycled 333.65 tons in 2021; in 2020 we recycled 363.38 tons to Monadnock Disposal of Jaffrey, NH. This is a difference of -29.73 tons. Disposal of Demo/Household waste to Monadnock Disposal in 2020 was 737.04 tons. In 2021 we disposed of 783.96 tons. This is a difference of +46.92 from last year. We have seen an increase of citizen use of the facility during the 2021 calendar year. This year our contract with Monadnock Disposal expired so we agreed to a 2 year contract, We would like to thank the citizens of Rindge for their conscious effort in recycling and those citizens who participate in the annual Earth Day roadside cleanup in the spring keeping Rindge clean. Keep up the good work.

Building Maintenance Department

The full-time Maintenance Technician has worked hard all year at keeping up the buildings and repairing major safety and building issues, He also works with the Energy Committee on improvements to the town facilities with BOS approval. This has saved the town in having to hire out some of these projects to contractors. The Maintenance Technician along with the DPW Director work with other department heads to devise a yearly maintenance/repair plan to address maintenance issues for all town buildings. He is also responsible for winter plowing which include roads, parking lots and sidewalks, walkways for all of the public buildings.

This year with voter's approval we replaced the Highway Garage roof with a 50 year warranty, the cost of the project was \$34,800.00. The maintenance Technician also painted the building late this summer.

The Crew and I wish to thank the citizens of Rindge and other departments and boards for their cooperation and assistance during the past year. I especially wish to thank our Board of Selectmen and Town Administrator for all their guidance and assistance throughout the year.

Sincerely yours,

Michael Cloutier, Sr.
Director of Public Works

Rindge Emergency Management Department

The Rindge Emergency Management Department experienced another very challenging year in 2021. In March 2020, we started to deal with the COVID 19 pandemic which still continued in 2022. On March 13, 2020 Governor Sununu declared a State of Emergency and issued many Emergency and Executive Orders. Many local businesses either closed or modified their operations. The State Emergency Operations Center (SEOC) opened on March 13, 2020 to assist municipalities with operations, information, and Personal Protective Equipment (PPE). Governor Sununu also set up several committees to provide funding, guidance, and provide information. Funding was made available through the C.A.R.E.S Act as well as the GOFERR Committee and FEMA Public Assistance Grants.

The Rindge Emergency Operations Center (REOC) was activated on a daily basis starting March 13, 2020 as well. We participated in daily conference calls with the SEOC as well as many WebEx and Webinar Meetings and Trainings. We also monitored Governor Sununu's Press Conferences on WMUR-TV. These meetings and trainings still continue at a reduced schedule. The REOC managed the equipment, supplies, and information for the town and provided guidance to town departments and the BOS. We hold bi-weekly Zoom meetings to provide updates and get input from all town departments. We also worked with Laurie May (Finance Director) on reimbursement grants and funding for the incident. We would also like to thank our State Homeland Security Emergency Management Field Representative Liz Gilboy for providing guidance through the filing and/or application process.

The Emergency Management Team applied for FEMA Public Assistance Program (Grant) and recovered \$106,170.58 for COVID Expenses.

The Emergency Management and Fire Department applied for an AFG-S Grant for COVID 19 response PPE and received \$1,525.37.

I would like to take a moment again to thank Ron Osimo for his dedicated service. Ron was appointed by the Board of Selectmen as a member of the Rindge Emergency Team in 2015. Ron has been extremely helpful assisting the REOC with this Pandemic situation.

We will continue to seek NHDOT to install a message center at the NH RT 119 & US RT 202 intersection.

The department will continue to utilize the Variable Message Sign (VMS) to notify citizens of any important information and/or meetings that need to be relayed to the community. The sign will be placed at Rindge Transfer Station entrance. I would also encourage all residents to install NH Alerts app on their cell phones and computers to receive important information. ReadyNH.gov is another valuable resource for information. I encourage all Rindge residents to visit the site and be prepared before an event happens.

Respectfully Submitted,

Rickard J Donovan, Emergency Management Director

FIRE DEPARTMENT

In 2021 the dedicated men and women of the department responded to a total of 877 calls for service. This was an increase of 63 calls (8%) from last year. This makes 2021 our busiest year ever, with the exception 2008 when the town experienced the Great Ice Storm. These calls include but not limited to medical calls (485), Fire calls (392 calls to include structure, brush and wildland, chimney fires, etc.), motor vehicle accidents, weather related incidents, residential and commercial fire alarms, HAZ-MAT incidents, service calls, and much more.

In 2022 the Fire Department will continue to find ways to build its call membership and provide all these dedicated men and women with the necessary training and equipment to respond to emergencies and preserve the safety of the town and its residents. The dedication and hard work of these residents, who spend hundreds of hours to train and certify, allows the department to provide a high level of professional service to the town and protect its residents.

These emergency responders are paid per call instead of manning the station at all hours. Without a full-time Fire Department, Rindge relies on service-minded citizens to work on behalf of the community. Anyone interested in making a difference for their community as a first responder can contact Director of Life and Public Safety Rickard Donovan at the Fire Station (899-3324) for details.

2021 Department Highlights:

- Took delivery of the new Rescue, replacing the 24 year old Rescue which was suffering from increased mechanical failures and wear and tear.
- Received grant (AFG) funding for and purchased new battery operated Jaws of Life rescue tools.
- Received grant (AFG) funding for and purchased 29 new portable radios.
- Received grant (AFG) funding for and purchased Personal Protective Equipment and Supplies to respond to COVID 19 incidents.
- Continued weekly trainings on topics such as fire suppression, EMS, Search and Rescue (Ice and Cold Water Rescue, missing person, etc.), driver/operator training, equipment specific training (chain saw operations, vehicle extrication), mass casualty incidents response and more.
- Two members obtained national certification as an EMT
- Three members obtained national certification as Firefighter I.
- Three members obtained national certification as firefighter II.

2021 was a challenging time for our department as well as other departments. The COVID 19 Pandemic took its toll in taxing our services, but we will continue to provide a professional service. As our motto states "WHENEVER THE NEED". We will continue to provide a professional service regardless of the situation.

In 2022 the department will continue to offer free home fire safety guidance, fire prevention programs to school and civic groups and fire extinguisher training. We will also continue to perform mandatory annual Life Safety inspections in Places of Assembly, Business and Mercantile Occupancies, Educational Facilities, and multi-family dwellings throughout the year. The department also offers CPR/AED and First

Aid classes to citizens, businesses, and civic groups that is interested in improving their lifesaving knowledge. If you are interested in more information about these programs, please contact us at (603) 899-3324.

The department extends a sincere thank you to all the people, businesses, and organizations that have provided their support during the past year.

Respectfully Submitted,

Rickard J Donovan, Director of Public and Life Safety

The Rindge Fire Department maintains minimum training and certification levels for all emergency responders in accordance with the National Fire Protection Association and National EMS Registry requirements and recommendations. All members are required to participate in mandatory fire, rescue, and ems trainings, infectious disease training and monitoring, and leadership training.

Apparatus Brief

The Rindge Fire Department will continue its Preventative Maintenance Program on all vehicles and equipment in effort to keep all emergency equipment in a state of constant readiness. This program also helps keep repair costs down and ensures the equipment meets its recommended life span. The maintenance program consists of in-house weekly vehicle and equipment inspections; in-house fluid, filter, and lubrication service; oil changes; pump and ladder maintenance; small engine service, and building maintenance.

FIRE PREVENTION, EDUCATION, AND INSPECTION OFFICE

The Rindge Fire Department will continue its Fire Prevention and Education Programs in the schools and other public and private events. We also continue to offer Fire Safety Programs, Fire Extinguisher and Prevention Programs to local businesses for their employees. The Rindge Fire Department also offers free Home Fire Safety Inspections to the residents of Rindge and continues to perform mandated inspections at businesses and multi-family dwellings located in town. The Rindge Fire Department maintains an open door policy for the citizens to visit the station during business hours to check out the equipment and apparatus the town owns. This is also a great time to see what is available and the importance of different equipment used in the fire service. Fire prevention materials are also available at the fire station.

Under NH State Fire Code and State Statutes, all businesses and residential rental units are subject to annual life safety inspections. The Town of Rindge currently inspects these properties. Our goal is to assist business and rental property owners in providing a safe environment for their customers, employee's, guest, and tenants.

CPR, AED, AND FIRST AID TRAINING

The Rindge Fire Department offers CPR, AED, and First Aid classes to the general public and businesses within the Town of Rindge. We are planning on scheduling monthly classes, and more if necessary. To receive more information or to sign up for a class, please contact the Departments CPR/First Aid Coordinator, Marie Pugh at 603-899-3324. Our goal is to train as many citizens as possible in CPR, AED, and First Aid.

The Rindge Fire Department would like to thank the Town of Rindge residents and businesses for all their support throughout the years.

BURN PERMIT AND FIREWORK'S PERMIT SCHEDULE

FIRE STATION

Mon – Fri: 3:30 PM – 6:30 PM

Sat: 9:00 AM – 1:00 PM

Note: On days that it is actively raining you may obtain a permit at the fire station for that day (Monday – Saturday) starting at 10:00 AM

There will be no permits issued on Sunday or Holiday's so plan ahead if you plan to burn on these days. Permits for those days may be obtained after 3:30PM on the Friday before, depending on the weather forecast. If you unable to obtain a permit on Friday, you can call ahead to make arrangements at (603) 899-3324.

Permits may also be obtained through the NH Division of Forests and Land online burn permitting system. <https://nhdflweb.sovsportsnet.net/> these are available 24hrs a day, weather dependent.

Burn Permits are required for all outside open burning unless 100% coverage of snow. When there is 100% snow, please call the fire department and leave a message with your name and address where the burn is taking place.

Anyone who wishes to burn clean, ordinary combustibles such as leaves, brush or untreated lumber, or have a camp or cooking fire must have written permission from the landowner and a fire permit from the Rindge Fire Warden before the fire is kindled. You must be at least 18 years of age to obtain a written fire permit.

Seasonal permits can be issued for established fire rings containing small camp and cooking fires. Such camp or cooking fires shall; be in an area cleaned to mineral soil at least 8 feet across; have at least 6 inches of sand or gravel under the fire for any fire built on the ground; and have no limbs or other burnable material to a height of 10 feet above the fireplace area.

Woody debris or brush less than 5 inches in diameter, or untreated wood and untreated dimension lumber (subject to Env-A 1001.05(g) below) can be burned. For any open burning a written fire permit is required. Even with the permit, no open burning is allowed between the hours of 9:00 am and 5:00 pm unless it is raining. When the ground where you are burning is completely covered with snow no fire permit is required. However, it is asked that you contact the Fire Department before burning.

DUE TO THE COVID 19 PANDEMIC AND THE STATE OF EMERGENCY, WE ASK THAT YOU USE THE ONLINE PERMITTING PROCESS AS MUCH AS POSSIBLE. WE WILL BE GLAD TO SERVE YOU WHEN THE STATE OF EMERGENCY IS LIFTED, THANK YOU.

FIREWORKS PERMIT

Fireworks Permit is required to display fireworks within the Town of Rindge. Applications for Class C fireworks must be submitted at least 2 business days prior to the intended display. The permit fee for Class C consumer permissible fireworks is \$10. Class B fireworks require a permit and must be obtained and displayed by a licensed fireworks operator.

Permit Requirements:

- The applicant shall appear in person before the Fire Chief, or his/her authorized designee.
- The applicant shall provide proof that he, or she is the landowner of where the fireworks discharge is to occur, or has the landowner's written permission.
- The applicant shall provide a valid photo identification.
- The applicant shall be at least 21 years of age or older. (NH RSA 160-C:II)
- Fireworks shall be purchased from licensed Permissible Fireworks retailers in New Hampshire only. (Copy of Receipt for permit may be requested)
- The applicant shall only purchase the quantity of fireworks needed for the permitted display. The storage of Permissible Fireworks is prohibited.
- Fireworks shall not be ignited by minors (anyone under the age of 21).
- Fireworks shall be ignited a minimum of 50' from any structure or overhead utilities.
- The applicant is required to have a means of fire extinguishment readily accessible.
- The permit shall be valid only for the date (or rain date) it is issued.
- Anyone discharging or igniting fireworks shall not be under the influence of any drugs or alcohol.
- Permissible Fireworks shall only be discharged between the hours of 10:00 AM and 10:00 PM.
- Permits will only be valid on days when the Daily Fire Danger is Class One (low) or Class Two (moderate) as determined by the New Hampshire Division of Forest and Lands – Bureau of Forest Protection without a Fire Detail.

Detail Requirements:

The Rindge Fire and/or Police Chief reserve the right to determine if a detail is required, however; a detail will be required for the following: (SAF-C 5024.10)

- All Class B Displays
- Class C Display if permission granted on a Class 3 or Higher Fire Danger Day
- Class C Display with 100 or more attendee's
- Class C Display operated (fired) by a NH Pyrotechnic
- Class C Display at a Place of Assembly where a Place of Assembly Permit is required

The Revenue received for Firework Permits in 2021: \$610.00

NO FIREWORKS WILL DISPLAYED ON A CLASS 5 OR RED FLAG FIRE DANGER DAY

Ingalls Memorial Library

While it cannot be said that 2021 saw a return to normalcy, it did seem as though the library was making its way back to it. Circulation was back to pre-pandemic levels. We issued 125 new library cards. In-person programming resumed. While we are still taking precautions, it's almost "business as usual." And the library staff is thankful for that, and optimistic about the future.

It has been an exciting year at the library! We were awarded four major grants!

- A \$5,000 grant from the Roy A. Hunt Foundation allowed us to purchase a much-needed software package for the library. We were also able to purchase a specialized camera for digitizing the flora collection stored on the third floor of the library. This technology has allowed us to start a digital library which will allow access to this wonderful collection donated to the library by Mary Lee Ware in the late 1800s. We have also added a color printer that allows prints up to 11 x 17, a service that is important to our patrons and our staff. New floor cushions allow the children who come to story time to sit comfortably, and we are able to space out seating to allow for social distancing. And new stackable outdoor chairs for our littlest patrons make outdoor programming even more special. We greatly appreciate the support of the Roy A. Hunt Foundation.
- A \$500 grant from the New Hampshire State Library allowed us to bring a very special series of programs to our summer reading program. This grant allowed us to engage Project Shakespeare to do a performance of scenes from A Midsummer's Night Dream. The performance was followed up with an acting workshop for children and teens, and we were also able to hold a creative writing workshop for older children --- which we hope will morph into a monthly program when afterschool programming resumes.
- The New Hampshire State Library also made ARPA funds available to libraries around the state, with specific objectives having to be met in order to qualify for funding. With this grant in the amount of \$3,364 we were able to purchase the equipment necessary for programming in these new COVID=19 times and well into the future, including sound equipment, projectors, an outdoor movie screen and more. We were able to hold our first Outdoor Movie Night in October, and are looking forward to doing more when the weather is warmer. This equipment is also available for other town departments to use.
- Lastly, we were awarded a grant in the amount of \$8,654 from the New Hampshire Charitable Foundation's Library Technology Grant program. This grant was made possible by gifts from the Bernice Clay Fund for Lifelong Learning. Funds were used to purchase two AWE Learning Stations for the children's room --- safe computers that will teach children of all ages in a safe and kid-friendly environment. We also have access to the AWE Learning Platform online, which allows children to access the educational games from home.

It is wonderful to have the opportunity to offer the residents of Rindge programs and services like this without a tax burden!

We are also happy to announce that the supply chain for library materials seems to be correcting itself. During 2021, we added over 1,300 new books. We also added hundreds of DVDs, many of which were generously donated by our patrons.

Our library still offers something for everyone – including internet access, local newspapers, magazines, movies, books, audiobooks, jigsaw puzzles, photocopying, faxing services, printing, 3D printing, art displays, seeds, cake pans, help with technology and electronic resources.

The Ingalls Memorial Library is open 38 hours per week: Monday, Wednesday, and Friday, 10:00 – 5:00; Tuesday and Thursday, 1:00 – 8:00; and Saturday, 9:00 – 12:00. This year, there were 13,980 visits to the library. We thank everyone who continued to visit during these unsettling times.

As of December 31st, there were 2,677 registered patrons. Free library cards are available to people who reside, work, or own property or go to school in Rindge. Non-residents are able to purchase cards for a fee.

Registered users have access to 35,222 items housed at the library. Cardholders also have access to materials owned by libraries across the state through the Interlibrary Loan System, and are able to directly search the state catalog and place holds on items owned by other libraries if they chose to do so. Registered users can also download e-books and audiobooks through NH Downloadable Books powered by Overdrive. They have access to EBSCO databases, including Novelist, and Ancestry.com.

Children's Media Acquired in 2021: 41

There were 472 internet sessions during the year. This does not include access to our Wi-Fi, which is available 24/7 from inside and outside the library. With the addition of broadband service by Consolidated Communications, internet services at the library are faster, more reliable and less expensive than in the past.

Volunteers provided 125.5 hours of service to the library.

I would like to thank the Library Trustees, Friends of the Ingalls Memorial Library, and volunteers for all they do to help the library. Thank you to the individuals, local businesses, RAMS, P.O.O.R., Charity Lodge #18 and the Roy A. Hunt Foundation for your support of our operations, and the Ingalls 1894 Association for your fundraising efforts. Thanks to all who have generously donated materials to the library. Thanks to the Public Works Department for taking such good care of the building and the grounds. Thanks to all other town employees and departments. This was yet

another year that I will never forget, and I'm honored to be a part of the team of employees that have worked together to navigate these stormy seas.

I would like to extend a special thank you to the residents of Rindge for patronizing the library. I appreciate your patience, your well-wishes and your caring concern as my team and I worked to keep the library available to you during yet another year of COVID-19.

I look forward to seeing you at the library!

OFFICE OF THE PLANNING BOARD
30 PAYSON HILL ROAD
RINDGE NH 03461
PH. (603) 899-5181 x 117 FAX (603) 899-2101

The Planning Board reviewed a total of 23 applications and/or proposals during the 2021 calendar year. As a comparison there were 13 applications / proposals reviewed in 2020; 11 applications / proposals reviewed in 2019 and 23 applications / proposals reviewed in 2018. Of the 23 applications and/or proposals reviewed in 2021 there were three Voluntary Mergers, which are done in the Planning Office; two Technical Subdivisions / Lot Line Adjustments; four Minor Subdivisions; one Major Subdivision; one Amendment to a Major Subdivision; one Minimum Expedited Site Plan; three Minor Site Plans; and eight Major Site Plans. The Planning Board also conducted two Conceptual Consultations; and hosted one public hearing for the Jaffrey-Rindge School District for the parking lot expansion at the Rindge Memorial School.

The Planning Board proposed eight warrant articles for the Town's consideration at the March 9th, 2021 Town Meeting. Six of the proposed articles came out of the PURD subcommittee and proposed to eliminate workforce housing bonuses through PURD's, allow Accessory Dwelling Units in the College District, create allowances for detached Accessory Dwelling Units and clarify the maximum number of units allowed in multi-family structures. All six of the zoning articles which came out of the PURD subcommittee passed, the hard work and long hours put in by the committee are much appreciated. The final two proposed articles were for Zoning Map amendments to include two parcels exclusively in the Business-Light Industry District. These two articles did not pass. The Planning Board did not propose any zoning warrant articles for the 2022 Town Meeting.

Planning Board members and staff were involved with the meetings of the Town Gown committee and the Emergency Management committee during the 2021 calendar year.

Kirk Stenersen continues to fill the Planning Director position on a part time basis as a subcontractor. He has planning office hours one day a week on Wednesdays from 9:00 a.m. to 1:00 p.m. Susan Hoyland, returned as the Planning Board secretary, and is in the planning office two days a week and more as her health allows. The electronic filing system continues to be modified and improved; it has been valuable in research on prior and potential applications and continues to increase the efficiency of the Planning Department.

The Board welcomed Katelyn Smith and Julie Sementa to the Planning Board, both of whom were elected at the March 9th, 2021 Town Meeting. The Board also welcomed Joel Aho and Robert Chamberlain as appointed alternate members. Robert Hamilton was appointed to the

Planning Board as the Ex Officio member. The Board thanks Jason Paolino, who did not run for re-election, for his six years of service to the Town of Rindge on the Planning Board.

Rindge Police Department

Rachel D. Malynowski
Chief of Police

158 Main Street
Rindge, N.H. 03461

2021 Annual Report

In early 2021, the Police Department had a brief opportunity to experience a full roster. However, while fully "staffed", the Department was in a constant state of training throughout the year. Officer John Ciarcia and Officer James McGeeney rose to the challenge and obtained certification as Field Training Officers in June. Officers Ciarcia and McGeeney accepted the responsibility of becoming an FTO in order to help mentor and train future officers of the Department, doing so without additional compensation. Prior to this, Sergeant Rachel Malynowski and part-time Corporal Maximin Rocheleau were the department's only certified FTOs.

In total, four officers have attended the full-time New Hampshire Police Academy since the fall of 2020. During this time, the Academy has dealt with ongoing pandemic-related issues, resulting in a financial impact to the Department. New officers have been asked to transition from learning remotely to commuting daily and to weekday residency, often with little notice and, on occasion, all within a single week. The result has been a request for unanticipated accommodations to be made by the individual Departments, to include additional travel expenses.

Officer Jeffrey Bain graduated from the full-time Academy in December of 2020 and completed field training at the beginning of February, where he was able to provide some relief to the overtime-laden schedule. Officer Zachary Letourneau, who has been part-time with the Department since 2018, attended the full-time Academy in January and graduated in April. Based on his prior experience, he was able immediately able to assume solo officer status. Officer Ryan Aro was hired in April and began the full-time Academy two weeks later. He graduated in August and completed field training in late October. Officer Scott Merrell was hired in June to fill the newly created 9th officer position. He completed most of his field training prior to attending the full-time Academy. He graduated in December but, due to quarantine issues at the Academy, he and many of his classmates did not receive full certification. The Academy anticipates that all make-up courses for this graduating class will be complete by the beginning of February, 2022. At that time, Officer Merrell will be fully trained and will assume a role in the schedule.

The Department also saw many departures during 2021. Most notably, at the end of October, Chief Daniel Anair retired after more than 20 years of service to the Town of Rindge. This left a vacancy that was quickly offered to and accepted by Sergeant Rachel Malynowski, leaving the Sergeant's position open. Full-time Officer Michael Eneguess also left the Department at the end of October, creating another full-time opening. As of the writing of this report, both positions are still vacant with very little expressed interest.

Chief Anair's retirement luncheon

In June of 2021, Records Manager Nicholas Roy left the Police Department to pursue a new career. While he agreed to remain on staff per diem, the front office was vacant for several weeks. In August, Susana DiMarzio was hired to fill the position. Near the end of 2021, part-time officers Mark Griffin and Thomas Bishop gave notice in order to devote more attention to their own full-time careers. Throughout the year, officers were asked to fill numerous shift openings created by quarantines as well as an unanticipated 12-week medical leave. Many of these open shifts were taken on by Chief Anair and Sergeant Malynowski. Animal Control Officer Lawrence T. Harris continues to be a fixture in the town and at the Police D

The Police Department has continued to strive to become a more community-oriented Department by participating in numerous events within the town, many of them during off-duty times. These include fingerprinting at the Rindge Memorial School during drop-off and pick-up times, attending school and town parades, presenting at various schools and learning facilities, attending the Rindge Fire Department open house, participating in the Flags for Forgotten Heroes ceremony, the 9/11 ceremony, and the Vietnam Traveling Memorial Wall at the Cathedral of the Pines, as well as Trunk or Treat, the annual Senior Dinner deliveries, the Christmas Tree Lighting ceremony, Breakfast with Santa, and numerous others.

Trunk or Treat (Officers McGeeney, Aro, Ciarcia & Bain)

During Community Policing Week in October, Officer James McGeeney was nominated for, and was awarded with, the McDonald's Community Policing Award, a program that highlights New Hampshire officers that have shown exemplary community involvement. The award was presented during a community event that was hosted by the Jaffrey McDonald's and held in conjunction with the Jaffrey Police Department.

We continued fostering a positive relationship with the Franklin Pierce University community, became more involved with the Rindge Crime Watch, and began a collaboration with Reality Check, a local program providing services for prevention, treatment and recovery for drug and alcohol addiction. We participated in the two National Drug Take-Back events during the year and continue to provide year-long services in our lobby. The drug intake box is available to the general public. However, due to disposal costs, the sharps collection box is available to Rindge residents only.

During the latter part of 2021, we began providing an increased social media presence. We believe that keeping the community better informed on a consistent basis is imperative to the successful function, quality and perception of our Department. Based on the positive feedback received from the community, the Department will continue to regularly update our Facebook page with information, announcements and other pertinent information.

New fleet replacement with updated color scheme

Unique challenges and increased activity were not exclusive to the Police Department during the year. We implemented a CAD system for better accuracy with inputting calls and tracking data. In general, there was a distinct increase in serious motor vehicle accidents, fraud investigations, domestic violence incidents, mental health issues, property damage and drug overdoses. Regularly posted activity logs can be viewed on our web page, <https://rindgepolice.com/>.

We would like to extend our sincere gratitude and appreciation to the community for your ongoing support as well as to the Board of Selectmen, department heads, and various committees who constantly work in conjunction to try to improve the quality of life within the town of Rindge. We will continue forging ahead, rather than looking behind, setting short and long term goals in order to pave the way for constant improvement, both inside and outside of the Department.

To quote Francis of Assisi, "Start by doing what's necessary; then do what's possible; and suddenly you are doing the impossible".

2021 Town Report - Recreation Department

2021 was another year of change for the Recreation Department. We had to rethinking the way we offer and run our programs to meet the safety standards for COVID-19 which was both challenging and rewarding. Thankfully with a hard-working staff (Karen Chemello and Karissa Forzese) and a will to adapt we found ways to offer recreation opportunities for the community despite the hurdles we had to overcome.

In January the Recreation Department assisted the school district in providing a learning pod for virtual learning here at the Recreation Department. This learning Pod was for learnings in Rindge who did not have internet access or supervision during the day. This allows them to continue their schooling virtually. We were able to provide a quality learning environment that help students not fall behind in their studies and allowed parents to return to work for their families. In addition, during the warmer months we were able to offer Rindge Memorial School an outdoor classroom using our pavilion in order to help reduce the risk of Covid-19 exposure in the indoor classrooms.

During a pandemic we felt it was more important than ever to have holiday events to get back to feeling "normal" again. The annual holiday events we were able to offer this year included: Ester Egg Hunt Trunk-or-Treat, Town Tree Lighting, Breakfast with Santa, and Senior Holiday dinner. Some of the adaptations we had to make to run these holiday events were not easy but it was wonderful to see volunteers from the community come together and assist even more this year when we needed it. The Senior Dinner this year once again done by delivery this year not a sit-down meal to maintain safety for all involved. We were thankfully still able to deliver 155 meals to our seniors in Rindge this year. A big thank you to the Rindge Chamber of Commerce for their help! Trunk or Treat was a big hit as we have over 500 people attend for exceeding attendance in recent years.

In addition to these seasonal events, the Rindge Recreation Department coordinated several ongoing activities as well throughout the year. Some of these activities include: After School Karate class with Elizabeth Kenny, Senior Coffee on Wednesday mornings, a knitting group on Thursday afternoons, the Rindge Woman's Club, and crafters group. One new program this year is the Quilting Club, which meetings once a month on the weekends.

Our before and After school program had to deal with a lot this year. With the school closing and reopening many times it was difficult to navigate staff, programs, and clubs. Our EDP Director Karen Chemello did not let this phase her and she was ready when called upon and put on quality programs and clubs all while adhering to strict Covid-19 cleaning and operating policies. This program continues to be one of our flagship programs throughout the school year and an invaluable resource to many working families.

The Recreation Center building rentals have been active again this year with various events including: birthday parties, wedding receptions, company BBQ's, holiday events, and baby showers.

Most of our programs rely on parents and local community members volunteering their time and energy to make our programs as amazing and successful as they are. Thank

you to all of our coaches, parents, and community members who took time out of their busy lives to enrich our programs! If you are interested in volunteering, please contact the Recreation Department.

The hardworking volunteers of the Recreation Committee continue to be a strong support base for the Recreation Department. The Recreation Committee serves as an advisory board to the Recreation Director and all members volunteer their time throughout the year to assist at the many events the Department offers. Without the dedication of the Recreation Committee and part-time staff, the well-loved community traditions would not be possible. If you are interested in joining the Recreation Committee, please give us a call.

Despite some modifications, the Recreation Department's ongoing programs were able to continue and we were able to bring back some programs we were not able to run in 2020.

The following programs were offered:

Winter:

Travel Basketball, Instructional Basketball

Thursday Night Lights Ski Program

February Vacation Field Trips

Chaos Travel Soccer

Spring:

Monadnock Youth Softball

T-Ball

Chaos Travel Soccer

Summer:

7 weeks of summer Day Camp (K-9th)

Le Tour de Common 5k Road Race

Fall:

Instructional Soccer

Travel Soccer NHSL

Chaos Travel Soccer

Many of our programs are supported by local businesses who make generous donations to keep programs running. Thank you to all of the individuals, civic groups, businesses, and foundations that made donations and grants to the Rindge Recreation Department. Without your support we would not be able to offer the variety of community activities that we do. With the ongoing help of our community and volunteers we look forward to even more growth in 2022!

Daniel Bemis

Town of Rindge

2021 Department of Welfare Expenditure Report

Every town in NH has a provision in place to care for its residence who experience economic hardship and provide assistance to applicants found eligible. The Welfare Department works in close partnership with several social service agencies in the region to collectively help meet the gaps people experience with food, fuel assistance, electricity, rent, mental health and substance use, transportation, and other basic necessities.

During this pandemic, many people increased their use of alcohol and drugs as a way to cope with unemployment, trying to homeschool, losing housing, paying bills with very little income, and not being able to access healthcare treatment. In addition, a person's mental health drives how people function in their lives including keeping a job, caring for children, and maintaining healthy relationships. Untreated mental health challenges often co-occur with substance abuse and addiction, and in New Hampshire, only about 6% of people who need treatment for these issues actually get treatment.

Monadnock Family Services provides mental health supports to ensure people are receiving the support they need. Untreated addiction can drive up unemployment, incidents of suicide, police and first responder resources being used disproportionately, drug overdoses, hospital admits through the emergency department, foster care placements, high school dropouts, incarceration, and the Dept. of Children Youth & Family involvement.

Reality Check provides addiction services including drug and alcohol prevention education curriculum to the Jaffrey-Rindge school district for kids in grades K-12, supported referrals to treatment, and recovery coaches and support groups to support people seeking recovery. It also partners with the police department to provide proper medication disposal information and syringe kits for used needle disposal.

Southwestern Community Services help pay back rent owed, security deposits, and fuel and electric assistance. They provide affordable housing units all over the region in a time when we are still experiencing a critical housing shortage. Home Healthcare and Hospice provides services to our elderly population including end of life care, Meals on Wheels, senior daycare, transportation, and visiting nurses.

Contoocook Valley Transportation is a critical service in our rural area providing rides to doctor appointments and grocery shopping for people without reliable transportation. Many of the agencies the town supports annually are important partners for welfare departments. Together, we work to meet the unmet basic needs of our residents by connecting them to all available resources, ensuring people don't have to choose between medication and food.

People applying for assistance through the Welfare Department are first provided referrals for fuel and electric assistance, security deposits, back rent, mental health services, addiction services, food resources, social security, childcare, rental assistance, domestic violence services, suicide supports, transportation services, financial education, and car repairs. If the need has not been cured, the town then assists applicants who are eligible for assistance. Applicants may apply once per month, and if help is needed the following month, they must reapply; assistance is not ongoing. With each application, there are required documentation that needs to be submitted. A determination of assistance is made by adding income from all sources from the previous 30-days and deducting *allowable* expenses for the previous 30-days. The difference of which is the amount a person is eligible to receive in assistance, which is paid directly to vendors. Some expenses have caps and some expenses are not allowed to be factored in. People with extenuating circumstances are determined on a case-by-case basis.

Here are some resources to help reduce monthly expenses:

- ✓ **Homeless or Being Evicted?** Call Southwestern Community Services 352-7512, or Shelter From The Storm 532-8222, or Monadnock Area Transitional Shelter 924-5033
